

2014 GREAT ITALIAN ART & FOOD CHALLENGE WINNERS

Home / 2014 Great Italian Art & Food Challenge Winners

Congratulations to the winners!

FIRST PLACE: #26

Agnes D'Entremont, University of British Columbia, Canada
Joy of MRI Cooking

SECOND PLACE: #5

Claudia Calcagno, Translational & Molecular Imaging Institute, USA

The Last Supper- An Homage to da Vinci & Warhol

THIRD PLACE: #7

Simone Coppo, University Hospital Center Vaud, Switzerland

A Feasibility Study on the Fat-Water Separation of Italian Charcuterie Using a Two-Point Dixon Method Under the Guidance of Oenophilic Scientists

Thank you to everyone who participated!

1 André Ahlgren, Lund University, Sweden, *Substantia Grisea*

2 Aman Badhwar, Institut de Geriatrie de Montreal, Canada, *Mind Cathedral*

3 Roger Bourne, University of Sydney, Australia, *Cucina Risonanza Italiano*

4 Matthan Caan, Academic Medical Center, The Netherlands, *Pizzeria M.Rino*

5 Claudia Calcagno, Translational & Molecular Imaging Institute, USA, *The Last Supper- An Homage to da Vinci & Warhol*

6 Rachel Chan, University College London, England, UK, *Pasta Pizza*

7 Simone Coppo, University Hospital Center Vaud, Switzerland, *A Feasibility Study on the Fat-Water Separation of Italian Charcuterie Using a Two-Point Dixon Method Under the Guidance of Oenophilic Scientists*

8 Rebecca Feldman, Translational & Molecular Imaging Institute, USA, *Firefly Trails*

9 Laurentius Huber, Max Plank Institute, Germany, *The SENSE of GRAPPA in MRI!*

10 Ryan Hutten, NorthShore University Health System, USA, *Multimodal TiraMRIsu*

11 Lucy Kershaw, University of Edinburgh, Scotland, UK, *Il Tricolore*

12 Justin Lau, Sunnybrook Research Institute, Canada, *An Extra Cheesy Phantom: A Yummy MRI Case Study of Formaggi Italiani*

13 Ria Mazumder, Ohio State University, USA, *Italian Dinner Table Generated from MRI of In Vivo Human Brain, Liver and Ex Vivo Porcine Heart*

14 Huijun Liao, Harvard Institute of Medicine, USA, *Sei Cosy Bella*

16 Alessandro Mazzola, PHYMED, Brazil, *Picanha: the Food Tool to Teach MRI*

17 Riccardo Metere, MPI Human Cognitive & Brain Services, Germany, *Do You Spot the Lesions?*

18 Ronald Mooiweer, UMC Utrecht, The Netherlands, *Mona Lisa's Magnetic Resonance*

19 Richard Nicholas, University of Dundee, Scotland, UK, *T₂ Study for the Head of a Girl*

20 Caron Parsons, University of Warwick, England, UK, *Spaghetti Bolognese in the Style of Andy Warhol*

21 Amy Phillips, University of British Columbia, Canada, *Vino Caffé Acqua Martini*

22 Catarina Rua, University of Pisa, Italy, *Il Torzetto*

23 Kavita Singh, INMAS, India, *Celebrating the Art of Italy*

24 Xiao Wang, University of Minnesota, USA, *Magnetic Resonance Spectroscopy and Life*

25 Yujuan Zhao, University of Pittsburgh, USA, *The Magic Touch*

26 Agnes D'Entremont, University of British Columbia, Canada, *Joy of MRI Cooking*
